

HOW TO UPLOAD ELECTRONIC 1094 XML

1. If your software will produce the 1094 IRS xml files (there are 2 files, a data file and a manifest file), then we strongly encourage you upload these files to us.
2. If your software will not produce the 1094 IRS xml files, then we need you to upload a 1094C.pdf file for every EIN. Email w2processing@thesolvgroup.com for PDF upload instructions.

HERE ARE INSTRUCTIONS ON HOW TO UPLOAD THE 1094 XML FILES.

1. Log into w2copy.com
2. Click [“Upload Files”](#)

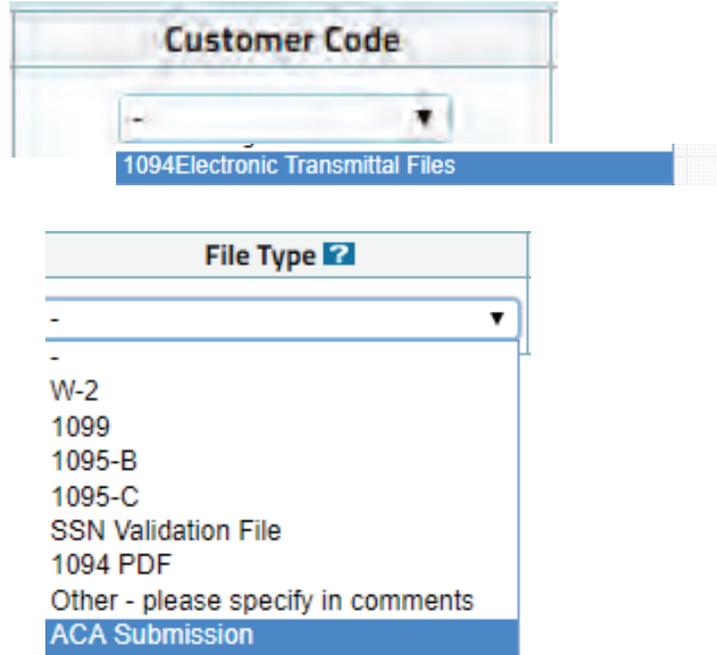

3. Click on the [“Drop Files Here to Upload”](#)

4. There should be 2 files for every EIN (a manifest files and a data file). Upload all of your files that you have. You can upload as many files as you want at the same time.

 1094C_Request_BB1QD_20180826T081931542Z_Manifest.xml
 1094C_Request_BB1QD_20180826T081931542Z.xml

4. For Customer Code, select the code that says “1094 Electronic Transmittal Files” and the File Type should be **ACA SUBMISSION**. If you don’t have a code for “1094 Electronic Transmittal Files”, then email w2processing@thesolvgroup.com and support will create a new code for you.

5. Hit “Complete Upload” to finish the upload.
